

Running a law firm is difficult. Your accounting software shouldn't be.

Confidently manage your financials with Soluno; the modern, user-friendly cloud-based solution built to streamline law firm billing, accounting, and time keeping.

- ⊗ Specialized legal billing capabilities such as e-bills, consolidated bills, and split-billing.
- ⊗ The only product that generates Forms 9A and 9C for electronic trust transfers.
- ⊗ FREE data conversions from over 20 different products, including PCLaw®, ESILaw®, Ghost Practice®, QuickBooks®, TABS3®, and Juris®.
- ⊗ Gain crucial business insights with 100+ customizable productivity and financial reports.
- ⊗ Canadian-based Cloud servers with A+ level security hosted to keep your sensitive data protected.
- ⊗ Law Society and CRA-compliant reporting (including HST regulations).
- ⊗ Powerful integrations with NetDocuments®, LawPay, Office 365®, and more.

Make the switch to Soluno - it's never been easier.
