

Proudly Canadian 

Best-in-class billing and accounting for law firms.

We make law firms' lives easier.

Your practice's finances are a crucial part of your business, but they shouldn't be the hardest part of your day. Trust Soluno to make billing fast, reporting easy, and accounting intuitive so that you can spend more time on what you do best.

www.soluno.legal

You practice law - Soluno does the rest.

Harness the flexibility of the cloud and a full suite of integrated, easy-to-use features that cut down on lost billable time and increase your firm's efficiency - no additional accounting packages required.

Case & Contact Management

- Advanced conflict checking and contextual searching.
- Custom contact, case file, and vendor fields.
- Integrates with NetDocuments, Office 365, and external document storage.
- View referral information reports to handle marketing source revenue generation.

Time & Expense Tracking

- Data entry from any device.
- Drag and drop time/expense imports from 3rd party systems.
- Run multiple timers concurrently.
- Quickly view time-entered and time entry summary reports.

Billing

- Fully customizable billing processes.
- Produce single and mass billings.
- Generate custom billing templates.
- Specialized billing functions such as e-bills, consolidated bills, and split-billing.

Trust & Banking

- Best-in-class trust accounting with 3-way reconciliation reports.
- Manage cash flow, transfers, and accounts payable with ease.
- Easily create deposit slips.
- Fully compliant with federal, state, and trust regulations.
- Request money out
- Create and print cheques

Productivity Reports

- Produce 100+ customizable productivity, time entry, billing, and collection reports.
- Export reports to Excel®, PDF, or CSV.
- Track productivity by lawyer, practice area, staff, and contact.
- Generate accountant-ready financial statements; including general ledger, trial balance, profit/loss, and more.

Flexible Access

- Soluno's Cloud platform uses Microsoft Azure® - one of the most secure and trusted Cloud environments.
- Full data encryption ensures your information is protected.
- Custom security options.

Data Migration

- No-cost conversions from selected software solutions.
- Full client history conversions including work in-progress, trust accounting, and receivables.

Training & Support

- Live and pre-recorded training sessions available to help you work with confidence.
- Real-time, live support via chat, email, or toll-free phone.

"Soluno has the best of both worlds - the law firm business intelligence of a legacy product with the freedom and convenience of a cloud solution."

Barry Shelton, Shelton Coburn LLC

Integrations that boost your business.

Soluno connects with your practice's essential software so your firm can effortlessly streamline workflows and be more productive than ever.

See why firms choose Soluno:

"This product has saved me so much time and energy... I feel like I've won the software lottery."

Carla W., Kenny, Brimmer & Mahoney LLC

"I love it! It's faster, more user-friendly, and easier to use than PCLaw."

Karsten & Tallberg, LLC

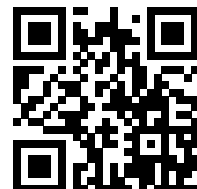

"[Our time keepers] love the cloud-based platform, where they can enter time from anywhere."

Smith Hartvigsen, PLLC

"Soluno has been a great fit... The customer support is second to none and ease of use is exceptional."

Anita Di Gioia, Di Gioia Berger LLC
