## BY LAWYERS LEGAL GUIDES INCLUDE

### MATTER PLANS

By Lawyers matter plans are an organizational system that arranges precedents and commentary logically from start to finish. They have proved to be a valuable tool assisting firms in increasing productivity, minimizing risk, and making practice easier and more enjoyable.

### COMMENTARIES

By Lawyers commentaries are a detailed, practical explanation for conducting a matter in a particular area of law. They provide research at your fingertips, giving fast, precise, and practical answers, including links to relevant legislation and case law.

### PRECEDENTS

From everyday letters and forms to complex agreements, By Lawyers precedents cover everything needed to complete a matter from start to finish.

In addition, libraries of less common forms and precedents are included for when the matter requires something beyond the usual steps.
