

Running a law firm is difficult. Your accounting software shouldn't be.

Soluno[®] is the time, billing, and trust accounting solution designed exclusively for law firms.

- ⊗ Law Society and CRA-compliant reporting (including HST regulations).
- ⊗ The only product that generates Forms 9A and 9C for electronic trust transfers.
- ⊗ FREE data conversions from your current system, including PCLaw[®], ESILaw[®], Ghost Practice[®], QuickBooks[®], TABS3[®], and Juris[®].
- ⊗ Full client history conversions including work-in-progress, trust accounting, and receivables.
- ⊗ Run Soluno on your local server or on the Cloud.
- ⊗ Specialized legal billing capabilities such as e-bills, consolidated bills, and split-billing.
- ⊗ Powerful integrations with NetDocuments[®], Office 365[®], and more.

Make the switch to Soluno - it's never been easier.
